

# Top 50 Red Wines of 2018

by JEB DUNNUCK

## About the List

The list is a selection of the top wines that were tasted over the past year and reviewed at [JebDunnuck.com](http://JebDunnuck.com). It's been a wealth of riches for wine lovers with great vintages in the Rhône Valley (both north and south), Bordeaux and Napa Valley with their sexy 2015s, back to back terrific vintages in Washington State, and the just-released 2016s from the Central Coast.

The selection is based on a combination of overall quality, price, availability, and a little bit of Wow Factor, and was made by scrolling through close to 9,000 reviews and painstakingly cutting the list to these 50 wines.
